## Club Members Print Competition

Camera Club members – stand up and show us your stuff! The call is out for this year's Print Competition. All you members with great images resting in your digital worlds – lets see your

best in a good old fashioned print. A print that you make.

All Club Members in good standing are invited to submit print images for the Club's annual Print Competition. Entrants and attendance at this event are limited to members only.

**You must be a member to submit OR attend.**

IF you are **not a member**, but want to enter this competition, or view the prints live, NOW is the time to join the Club!

**[Download the 2023 application](#)**

**Submission deadline:** Wednesday August 9th, 4PM.

Up to 5 images may be submitted by each member, in these three categories:

**Artistic Expression:** 1 image

**Color Pictorial:** 2 images

**Monochrome:** 2 images

### **Artistic Expression**

This category encompasses images made using a broad range of creative photographic methods. All images must be original and may not incorporate elements produced by anyone else. Artwork or computer graphics generated by the entrant may be incorporated if the original photographic content predominates. Images may not be constructed entirely within a computer. Any subject matter is acceptable. Artistic Expression images are judged both for their technical and pictorial merit.

### **Color Pictorial**

No limitations on subject matter or techniques used for image capture or post processing if the result is an image that could have existed in reality.

### **Monochrome**

Prints may be black and white or toned. Toning must be a single tone over the entire print. Prints with color in a single

spot or in separate areas do not qualify as monochromatic.
